& STAR

3-4 Math—ITBS & TAKS

**GOAL: To move students  
out of remedial programs to  
grade level programs.**

**Progress Monitoring**

Student progress will be monitored throughout the year to establish continual eligibility for the Title I program.

In accordance with recent federal legislation, the No Child Left Behind Act (NCLB), school districts that receive Title I federal funds are required to notify parents of their right to request information regarding the professional qualifications of their child's teacher including degrees and certifications held and whether the teacher is certified in the area he/she is teaching.

**Program Design**

The Title I Program focuses on reading, language arts, and/or math intervention. The program is designed to supplement services to students using a variety of models.

- Smaller classes or special instructional spaces
- Additional teachers
- A variety of supplementary teaching methods
- Additional teaching materials which supplement materials already in the classroom
- Extra time for teaching/tutoring students in the skills they need

Opportunities for professional development for school staff

## What Is Title I?

Title I is a Federal Aid Program designed to:

- Help children do better in school and receive skills to be successful
- Provide resources for children to help them achieve to their best potential
- Encourage parents to be more involved in their children's education
- Provide opportunities for smaller class sizes

Help schools to actively promote increased family involvement

## How does LISD receive Title I Money?

Title I is a Federal aid program through which most Texas school districts receive funding to provide supplemental instruction for those students who qualify. The allocation of funds for each school district is based on a legislative formula dependent upon the distribution of low-income children and state per-pupil expenditures.

## Parental Involvement

Parents are invited and encouraged to provide input on any and all aspects of the program.

## How can you get involved?

Bring your child to school every day prepared to learn.

Keep in contact with your child's teacher.

Participate in school events.

Support your school's outside-of-school activities.

Read with your child.

Check to make sure your child's homework is completed and returned.

Provide help with homework when needed.
